Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting 2,493,624 in funding for Shelter Island Center Municipal Wastewater system in fiscal year 2024. The entity to receive funding for this project is the town of Shelter Island NY, located at 38 N Ferry Road Shelter Island NY 11964. The funding would be used to improve the local sewer system. The project is an appropriate use of taxpayer funds because it would provide cleaner water for the citizens of Shelter Island.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
